Van Conversion Centre

Welcome to CoTrim

Your Safety & Comfort is our priority

CoTrim is a well-established conversion company, driven by the highest standards of service and quality; established for over 23 years, and a market leader in crew van, wheelchair access and minibus conversions.

- Established client base
- High repeat business ratio
- Experienced and responsive
- Very low staff turnover
- Volkswagen Commercial Vehicles Accredited Converter
- Volkswagen Delivery Point Code
- Secure vehicle compound with CCTV
- Conversions compliant with Whole Vehicle Type Approval Legislation.

Our Standards

The products we install are rigorously tested, certified and fully compliant with stringent EC safety standards for Whole Vehicle Type Approval.

This ensures all vehicles are 'Safe to use on the road and have a lower impact on the Environment.'

Working closely with the VCA, (Vehicle Certification Agency) CoTrim has been granted Conformity of Production, backed up by a UKAS approved ISO9001 quality management system.

Our Vision

To remain at the forefront of the vehicle conversion industry through ongoing growth and investment, and a commitment to solving challenges and needs of our customers.

Our Mission

To consistently provide the highest levels of quality and support, by an in-depth understanding of the needs of our customers, and the ways in which we can provide solutions to those needs.

Our Commitment

Proven commitment to finding cost-effective and innovative solutions.

Consistent and unbroken accreditation to relevant ISO Quality Standards.

Long-standing track record of confidentiality, trust and core values.

In-depth understanding and knowledge of vehicle conversions and associated products.

Ongoing policy of acquisition of new equipment maintains our unmatched capabilities in the field.

Pro-active and responsive to H&S issues, minimising our impact on the environment.

Our Values

- Clear and straightforward in our communications
- Trustworthy and accurate in our dealings
- Flexible and open-minded in our approach.
- Committed to seeing your project through
- Progressive, seeking new challenges
- Supportive and helpful in achieving your objectives.

Our Range of Conversions:

- Camper Vans
- Crew vans
- Mess vans
- Minibuses
- Wheelchair Accessible vehicles
- Specialist vehicles
- Leather upholstery
- Accessories including bulkheads, roof racks, luggage racks, steps, windows, storage systems, load ramps and lift

Top-of-the-range multi-purpose vehicle packed with style & flair

If you need a vehicle that offers all the benefits of a standard Transporter, yet featuring a high level of comfort with an exclusive style that will make you stand out from the crowd, then look no further than CoTrim's new Flexivan.

Stylish and comfortable for the work and leisure enthusiast

The Flexivan elevates Transporter comfort to a new level. Whatever your line of business, the chances are you spend quite a lot of time in your vehicle. Whether you are a busy executive who likes to be chauffeur driven to allow you to work during your travels, or a busy tradesman with a family who likes to combine work and leisure, then the Transporter Flexivan could be for you.

Sit comfortably

The additional CoTrim rail-mounted Comfort Flexi-seats fitted to the passenger compartment are equipped with reclining backrests, lift-up armrests, adjustable headrests and under-seat swivels. The inset floor rail system combined with the quick release seat to floor fixings, allows the seats to be easily relocated to almost any position on the floor rails.

The optional two-tone leather upholstery, complete with contrast stitching and Flexivan logo, sets the tone, and completes the picture.

In addition, the optional swivelling front seats along with a multi-function table, combine to create the perfect vehicle for business meetings.

Sleep comfortably

If you spend time away from the office or home, and need a place to sleep, then there is the optional night-time pack. This consists of either the Tourer triple Flexi-seat which converts into a comfortable bed, or the VTech elevating roof, with optional Deluxe bed pack.

COTRIM FLEXIVAN BUSINESS SEATING LAYOUTS

Illustrating the two most popular four and five seat configurations.

Note: Dual front cab passenger seat is an option from Volkswagen

(For illustration purposes only - not to scale).

STANDARD CONVERSION SPECIFICATION

Front — 2 single seats as factory supplied — please refer to manufacturers brochure for full description and options.

Passenger Compartment — 2 single Comfort Flexi-seats with reclining backrests, adjustable headrests, lift-up arms and under-seat swivels, installed to inset Flexi-rail system with quick release floor fixings. Removable multi-function table fitted between seats. Hard wearing wipe clean floor covering. LED strip light to side and rear saloon step access.

OPTIONS & ACCESSORIES

- Tourer rock n roll seat bed in lieu of Comfort Flexi-seats
- Multi-function table to fit Flexi-rail floor
- Reimo VTech open sky front elevating roof
- Reimo bed pack for use with above
- VW fixed and opening windows
- Interior insulation and trim to sides and ceiling
- LED lighting
- Speakers
- 12v lighter and USB power sockets
- 240v hook-up
- Leisure battery, inverter and split charge system
- Solar Panel
- Webasto heater
- Drop down DVD player
- Underseat swivels to cab seats
- Restraint systems
- Storage console between front cab seats
- VB 4 corner air suspension, to improve ride comfort and adjust ride heights from normal to Sport, off-road or car park
- C-Sport exterior styling
- Dashboard styling
- Side and rear awnings
- Roof rail system
- Bike carrier
- Wheelchair passenger access and restraint system

◀ MULTI-FUNCTION
TABLE WITH BUILT IN
DRINKS HOLDERS

▲ THE MOBILE OFFICE

Illustrating the additional single Comfort Flexi-seats to the passenger compartment in optional leather trim. Shown with the foldaway table between set up ready for work. Behind the front seats are optional storage boxes, especially useful for laptops or similar work-related equipment - refer to page 18.

▲ FLEXIBLE SEAT OPTIONS

To create a conference style environment for on-site meetings with clients or colleagues, or to have lunch on the go, then just specify the optional under-seat swivels which allows the front seats to be turned easily as required.

Loads of space for luggage

Where there are people there is luggage, and the Flexivan has ample storage space behind the seats with optional integrated storage compartments. There is even more space if you choose the long-wheelbase version, and if you wish to carry additional items such as bikes or surf boards, then a roof rail system or bike carrier can be added.

▲ CARGO AREA VIEW

This picture highlights the large space for luggage or cargo behind the additional seats including optional storage boxes to rear wheelarches. The inset flush fitting floor rail is also clearly visible, along with the fully insulated and trimmed side and ceiling panels and additional ceiling speakers.

▶ SINGLE COMFORT FLEXI-SEAT

Equipped with reclining backrest, lift-up armrests, adjustable headrest and under-seat swivel. The flush mounted floor rail system, combined with the quick release seat to floor fixings, allow the seats to be easily relocated to almost any position on the floor rails.

Combi day van with a difference

If you need a vehicle that offers all the benefits of a standard Transporter Kombi, but with somewhere to sleep comfortably while away for work or leisure, then CoTrim's new Flexivan Classic is the right choice for you.

Rock n roll seat

The Flexivan Classic's centre piece is its Tourer rock n roll seat bed. Installed to the same Flexi-rail system used in the Flexivan Business model, this versatile bench seat can be easily moved forwards or backwards on the rail system, or removed completely if needed to provide extra cargo or luggage space. In addition, the seat can be quickly folded down flat to provide a comfortable bed.

Accessories

Table, power, lighting, C-Sport leather and styling can also be added to enhance your vehicle, and if you need further flexibility and space to sleep, then there is the Reimo VTech elevating roof and Deluxe bed pack.

COTRIM FLEXIVAN CLASSIC SEATING LAYOUT

Illustrating the popular five seat configuration.

Note: Dual front cab passenger seat is an option from Volkswagen

(For illustration purposes only - not to scale).

Nearside sliding door, illustrating storage for optional folding picnic table

THE CLASSIC DAY VAN
Illustrating the additional Tourer removable rock n roll seat bed with front passenger seat fitted with optional swivel

Tourer rock n roll seat bed folded flat to form a comfortable bed

Loads of space for luggage

Where there are people there is luggage, and the Flexivan has ample storage space behind the seats with optional storage compartments. There is even more space if you choose the long-wheelbase version, and if you wish to carry additional items such as bikes or surf boards, then a roof rail system or bike carrier can be added.

◀ **CARGO AREA**
These illustrations highlight the large space for luggage or cargo behind the additional seats, including optional storage to cargo area sides. The inset flush fitting floor rails are also clearly visible, along with the fully insulated and trimmed side and ceiling panels.

▶ **TOURER SEAT BED**

The ultimate day van for work and leisure

If you need a vehicle that offers all the benefits of a standard Transporter Kombi, but includes a comfortable place to sleep while away for work or leisure, then look no further than CoTrim's new Flexivan XE5.

Rock n roll seat

The XE5's centre piece is the Reimo rock n roll seat bed. Installed behind the front seats, this versatile bench seat can be easily moved forwards or backwards on the rail system, or removed completely if needed to provide extra cargo or luggage space. In addition, the seat can be quickly folded down flat to provide a large comfortable bed when required.

Elevating roof

If you need extra space to sleep the XE5 comes standard with the Reimo VTech elevating roof and Deluxe bed pack.

Accessories

C-Sport leather and body styling can also be added to enhance your vehicle, or to elevate the ride to that of a luxury coach VB air suspension can be added - refer to page 18.

FLEXIVAN XE5 PLUS

Versatile campervan packed with home comforts

The XE5 Plus elevates campervan comfort to a new level.

For holidays a weekend away or everyday use this is the perfect vehicle for any occasion!

Standard equipment includes the Reimo rock n roll seat bed and Vtech elevating roof as with the XE5.

In addition, the Plus variant comes equipped with fitted furniture and a kitchen with all mod cons including a fridge, sink, cooker, large wardrobe with clothes compartment and additional storage space. A spacious countertop and dining table completes the impressive facilities.

Create a lasting impression

The Flexivan's stylish looks aren't restricted to the interior. You can specify the body colour of your choice from the manufacturers standard range. Enhancements such as 18" alloy wheels, with a wide choice of designs to suit most tastes, air suspension that elevates the ride to that of a luxury coach, allowing a choice

of heights from normal to Sport, off-road or car park and self-level when parked, full body kit, including lower front spoiler and splitter with side skirts or polished steel side bars and a rear tailgate spoiler, all add up to ensure the Flexivan is a real head-turner.

VB 4 CORNER AIR SUSPENSION, TO IMPROVE RIDE COMFORT AND ADJUST RIDE HEIGHTS FROM NORMAL TO SPORT, OFF-ROAD OR CAR PARK

- Constant ride height
- Increased comfort
- Better driveability
- Increased stability
- Comfortable transportation of passengers
- Kneeling function for allowing passengers to enter and exit the vehicle
- Better protection for fragile/delicate goods
- Kneeling function for loading and unloading goods
- Less wear on tyres/brakes
- More environmentally friendly, lower CO2 emissions
- Spare wheel remains under the vehicle

STYLING

FRONT SPLITTER
For that 'business' look

REAR SPOILER
Available for tailgate or wing door

SIDE BARS
Angled chrome styling bars

REAR BUMPER
Moulded protector for upper surface
